

Guessing Game

**COMPARATIVE
ADJECTIVES**

What is a comparative adjective?

A comparative adjective is an adjective used to compare two people or things. We use comparative adjectives to say that one person or thing demonstrates a high degree of a quality or is a better example of a quality than the other.

Examples:

tall - taller

famous - more famous

heavy - heavier

fast - faster

large - larger

good - better

big - bigger

hot - hotter
