Every member of your family was living close to you

If you woke up in the morning all alone and in a _____.

How would you feel?

Danger. Danger. Animals in danger.

From the big to the small.

And we stand or fall together. 'Cause this world needs us all.

This world is like a jigsaw so no pieces must be lost.

When a _____ is no longer every _____ pays the
cost.

There are _____ and _____ and _____,
_____ and _____ we may never see again.

Danger. Danger. Animals in danger.

From the big to the small.

And we stand or fall together.

'Cause this world needs us all.

We all need a place to _____.

We all need a place to _____.

We need _____ and _____ and _____ to survive.

So we can _____ and _____ and _____ on the
_____, in _____ and _____.

And stay alive.

Danger. Danger. Animals in danger.

From the big to the small.

And we stand or fall together. 'Cause this world needs us all.

Danger. Danger. Animals in danger.

From the big to the small.

And we stand or fall together. 'Cause this world needs us all.
